

## Quiz on VPLS Topologies

4 Marks total

Name: \_\_\_\_\_

1. [4 marks; 1 each] What are the names of the four (4) VPLS topologies (covered in previous lecture). For each one, identify the type of SDPs used.

1. Full-Mesh: mesh
2. Hub-and-spoke: spoke
3. Hierarchical: both mesh and spoke
4. Spoke-terminated: spoke (and whatever main VPLS uses)
