

NQA Certificate

No Questions Asked

Sometimes "life" happens. Sometimes you just need a break. Sometimes ... well it's just not a good time to be asked for all the explanations – you'd just like there to be No Questions Asked.

This certificate is good for covering any one (1) such occasion during NET2000-F22. Complete the blanks and hand it in with your request for a *freebie*: an extension on a deadline, a re-do of an assignment, a missed pop-quiz to not be counted, or similar. (Note that it can **not** be used to fix a poor score on a midterm, final exam, or SBA.)
