

Midterm

This class period is allocated to the midterm test.

Please note:

- The midterm will be 100% paper-based; nothing will be done online.
- You'll need to know your Carleton student ID (bring your card if you haven't memorized it)
- You'll need a pencil (maybe 2 or 3?) and an eraser
- NO other materials are permitted: no notes, no calculators, no electronic devices
- A **penalty of 5 marks** will be applied if you forget to bubble in your student number or the test version on the multiple-choice answer sheet.
